Project	Grain Marketing Expansion Programme (GMEP)	

Name of Organization:	ZAMACE	Phone:	ТВА
Mailing Address:	P.o. Box 51373, Lusaka Zambia	Fax:	ТВА
Physical Location:	FRA Mwembeshi Road Depot	Email:	info@zamace.com

Organization's Contact Person:	Brian Tembo
P F Tracking Number:	ZAM-STA-010-016
Title of Activities:	 District Public Warehouse Operator inspection and certification Community Storage Facilities Identification, and physical inspection. Stakeholder / Small scale framers mobilisation and training in grain and stores management. Recruitment of Region Coordinators and training of trainers. Fabrication and distribution of cleaning sieves to community aggregation points. ZAMACE working with other collaborating partners GMEP Promotional through community initiatives – Mkushi Agricultural Show. Typical ZAMACE Field Experience in Pictures.
Start Date of Reporting Period:	15 th March 2010
End Date of Report:	30 th June 2010
Date Report Submitted:	5 th June 2010

Report No. ZAMACE01
REDUITING ZAMACLUI

Progress Report

Tasks, Milestones, Outcome	es delivered this quarter	C	Completion dates
Tasks, Milestones, Outcomes	Comments	Plan	Actual
District Warehouse operator Inspection and Certification.	Physical inspection of storage facilities for warehouse operators conducted as per certification matrix attached. Annex 1	30 th July	Full certification pending ratification by the standards committee.
Community Storage Facilities Identification, and physical inspection	Community storage facilities as first level aggregation have been identified as per Schedule attached. Annex 2	30 th July	ZAMACE requires that communities at aggregation points buy new 50 kg bags, open a bank account with basic tools such as maize cleaning sieve and scales. Communities are expected to meet these requirements.
Stakeholder / Small scale framers mobilisation and training in grain and stores management.	ZAMACE has conducted training in grain and stores management to District Warehouse Operators, Small scale farmers, District Agricultural and Extension officers in two regions ie. Southern and Central. Annex 3	30 th July	Two regions completed (Southern and Central provinces). Training in Eastern Province yet to be done.
Recruitment of Region Coordinators and training of trainers	Two coordinators have been recruited for southern and central regions. The coordinators were also trained as trainers for grain grading and stores management. Annex 4	30 th July	Recruitment and Training of Region Coordinator in Eastern Province outstanding.
Fabrication and distribution of cleaning sieves to community aggregation points.	In an effort to help the communities at aggregation points ZAMACE is assisting in having the cleaning sieves fabricated which will be distributed to communities that will demonstrate commitment. Annex 5	30 th July	In Progress
Promotional of GMEP through Community initiatives	ZAMACE participated and exhibited at the local Agricultural show held in Mkushi. Annex 6	9 th June	9 th – 12 th June

	-	
ZAMACE working with other collaborating partners	ZAMACE struck a deal with WFP to assist the small scale farmers in funding the procuring of maize shellers and scales through the revolving fund to be administered by ZAMACE.	
	ZAMACE has partnered with Celim an NGO (micro finance) to provide credit to Monze small scale farmers before selling their maize stored in certified District warehouse using ZAMACE warehouse receipt as collateral.	

Major Risks and Issues

Most of the communities do not have sound financial base to procure some basic tools like the scales and cleaning sieves. In this regard ZAMACE is supporting the communities by fabricating the cleaning sieves. While WFP has offered to buy and loan scales to willing communities payable in 3 marketing seasons starting this year. However, communities needs to buy new 50kg bags for uniform and standardised bagging.

Tasks, Milestones, Outcom Quarter	es scheduled for next	Com	pletion dates
Tasks, Milestones, Outcomes	Comments	Plan	Forecast
Recruit and Train Region coordinator in Eastern Province.		30 th July	
Information Leaflets		20 th August	
Translation of the ZAMACE FAQ into Local Languages		20 th August	
Conduct community radio programmes		On Going	
Documentaries TV and Radio		15 th August	
Oversight District and Community Visits		On Going	
Warehouse Operator Rules and Requirements review.		31 st August	
Warehouse Operator Rules Training.		31 st August

Annex 4

Induction and Training of Regional Coordinators

Annex 5

Improving quality of Maize through the locally farbricated cleaning Sieves ...

ZAMACE Exhibiting at Mkushi Agricultural show.

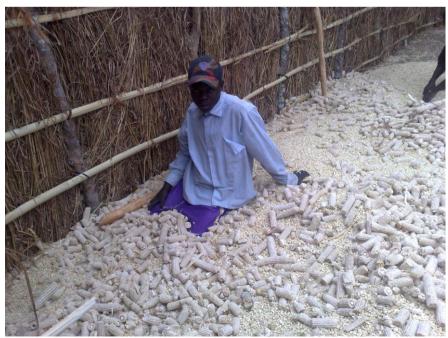

The Regional Coordinator Arthar Musonda (r) demonstrating how a Maize Sheller is operated

Typical ZAMACE Field Experience in Pictures

Yes! Small scale farmers are expecting bumper harvest this year ... but faced with ..

Challenge of Shelling maize by hand

Inadequate Storage facilities at household level .. leading to post harvest loses..

It is ZAMACE belief that community aggregation and linking smallholder crop to commercial market through the District warehouse operators will mitigate challenges faced by small scale farmers.

Citron - Public Warehouse Operator in Mkushi
